Swift River Energy Limited is holding a Construction Meeting as a way to exchange ideas, share information, and provide updates on the construction of the North Bala Small Hydro Project. This is expected to be the first of regular meetings to discuss construction activities, how impacts can be mitigated and concerns addressed. The meeting will not re-visit matters related to the proposal/planning stage of the project.

Process:

Members of the public may submit requests for information, concerns, or suggestions to be addressed at the meeting. To be included in the agenda, SREL asks that inquiries be sent in writing at least 3 business days before the meeting. Inquiries sent in advance will be prioritized. Meeting materials (agenda, minutes) will be made available at balafalls.ca.

Agenda:

1. Introductions
2. Review of objectives, responsibilities, process
3. Project Status
4. Outline of construction process
5. Inquiries from the public
6. Discussion
7. Review, action items for follow up
