Subject: An email from the Premier of Ontario

Thanks for getting in touch with me to share your views about the North Bala Small Hydro Project. I appreciate having this opportunity to hear what you have to say.

I understand how important it is to protect the Muskoka Watershed. That is why the Ontario government is investing \$5 million in a Watershed Conservation and Management Initiative to better identify risks and issues facing the Muskoka Region, allowing the community and province to work together to protect this vital area.

Our government will continue to work with the community to ensure the protection of the watershed for the benefit of future generations.

Thanks again for contacting me.

Doug Ford
Premier of Ontario
